GOALS FOR THE FUTURE:

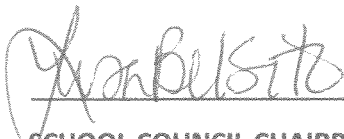

The 2014-2015 was a very successful year for both fundraising and reaching out to parents and the community. We hope to build upon that this year and continue to support our school in upgrading technology and improving the school. We also hope to reach out to our parent community and support them in their child's education. We also hope to provide some fun and educational activities for the students to reward them for all the great work they do in fundraising.
